Map Scale

A horizontal number line representing distance in miles. It is labeled from 0 to 5 at the top. Below the line, there are major tick marks at each whole number (0, 1, 2, 3, 4, 5) and minor tick marks between them, representing 1/4 mile increments. The word "Miles" is written below the line between the 2 and 3 marks.

CALHOUN COUNTY SCHOOLS

Schools concurrency service areas for all school types shall be coterminous with the boundary of the County.
