A report will be presented prior to any Firm's presentation at the June 1, 2020 Audit Committee meeting. Any proposal not satisfactorily meeting mandatory and technical criteria shall be removed from the ranking by the Audit Committee.

The Audit Committee reserves the right to retain all proposals submitted and use any idea in a proposal regardless of whether that proposal is selected.

D. Oral Presentations

The Audit Committee, shall conduct discussions with, and will require oral presentations by no fewer than three firms regarding their qualifications, approach

to the audit, and ability to furnish the required services. Such presentations will provide firms with an opportunity to answer any questions the Audit Committee may have on a firm's proposal. Firms must meet the mandatory and technical review prior to delivery of their oral presentations.

E. Ranking Process

Each member of the Audit Committee will score in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the ability of professional personnel, past performance, willingness to meet time requirements, location, and recent, current, and projected workloads of the firms. However, such distribution shall not violate the principle of selection of the most highly qualified firms. If fewer than three firms desire to perform the services, the committee shall recommend such firms as it determines to be qualified.

The Audit Committee will use a point formula during this ranking process. Scores will be combined to arrive at a composite score for each firm.

It is anticipated that the Audit Committee will evaluate and rank qualified firms on June 1, 2020.

Contract negotiations will commence after the selection of auditors by the Board of County Commissioners at its June 16, 2020 meeting. Contract approval by the Board of County Commissioners, pursuant to Florida Statutes 218.391(4) (a), is expected on June 30, 2020.

F. Right to Reject Proposals

Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for qualifications unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the Board of County Commissioners and the firm selected.

The Audit Committee and the Board of County Commissioners reserves the right without prejudice to reject any and all proposals.
